As part of the Conditional Waiver for Irrigated Agriculture, growers who have completed qualifying water quality education classes and have developed farm water quality plans are required to submit one updated practice implementation checklist to the Regional Board during the five year waiver. Completing the attached management practice form demonstrates that the farm plan is being implemented.

**Please submit this letter with your signature along with the completed Farm Water Quality Management Practices Form to the Central Coast Regional Water Quality Control Board in the provided pre-addressed envelope by January 1, 2007.**
